

New Student Referral Program

**We appreciate the support and enthusiasm everyone can bring to Rainier Christian Schools.
You are the #1 recruiter for RCS!!**

***** Receive a \$300 Referral Credit for each new student that enrolls in Rainier Christian Schools *****

Who is eligible for the credit?

Everyone is eligible! Parents (or guardians), staff, alumni, neighbors.....whoever refers a student(s) that enrolls receives a \$300 Referral Credit, per enrolling student.

Who is eligible to be referred?

Children from families who have *never before enrolled a child in a RCS Campus are eligible*. To be eligible for the \$300 Referral Credit, referred students enrolled in grades K-12 must be enrolled full time. Preschool/childcare aged children must be enrolled in a full-time childcare program.

How will the credit be applied?

For families with a student(s) enrolled in RCS, the Referral Credit will be applied to your account. The Referral Credit is limited to the amount of tuition and fees charged for your student(s), annually.

If you do not have a student(s) enrolled in RCS, we will send the referring family the Referral Credit, in the form of a gift card, from the information provided on the Student Referral Form.

Referral Credit will be applied, by semester, in January and May. January credits will be applied for referred students enrolled in September who remain currently enrolled. Second semester credits will be applied in May for those who remain currently enrolled.

If the referred student(s) enrolls at the second semester, the Referral Credit will be applied in May for those that remain enrolled and the following January for those that remain enrolled as of that date.

How many students can I refer?

The more students the better!!!

How do I get the Referral Credit(s)?

To qualify for the Referral Credit, both the referring and referred family must submit a Student Referral Form. If two or more families claim a Referral Credit, the family named by the referred family will receive the credit. Student Referral Forms must be submitted within 30 days after the referred student is enrolled.
